

Dyrham and Hinton Parish Plan Results (2019)

Key: PC Parish Council

SGC South Gloucestershire Council

1. Telecommunications (Broadband and mobile phone coverage)

No.	Issue	Action	Result
1.1	Some areas may still be unable to access High Speed Broadband, despite BT roll out of fibre optic broadband	Investigate whether and how superfast broadband can be extended throughout the parish with funding from the Glos/Wilts project	Ultrafast broadband made available to the bulk of the parish
1.2	ditto	As a fallback, pursue community funded options	N/A
1.3	Inconsistent mobile phone service across all networks	Ensure that 3G and 4G options are pursued alongside broadband	No volunteers to pursue

2. Transport and Access to Services

No.	Issue	Action	Result
2.1	Local health provision eg access	Review comments and discuss in detail with the Patient Reference Group	Pam Golton now on the Surgery Panel
2.2	Lack of transport for older people and others without a car	Consider need and scope for forming or joining a volunteer car scheme, eg for medical appointments	No volunteers to pursue
2.3	ditto	Investigate possibility of car sharing scheme for eg shopping & commuting	No volunteers to pursue
	ditto	Review current Community Transport provision and scope for improvements and better communication	No volunteers to pursue
	Getting staff to local employment	Discuss further with local employers, including possible help from LEP or Chamber of Commerce	No volunteers to pursue

3. Community Facilities			
No.	Issue	Action	Result
3.1	Need to improve Village Hall facilities	Review feedback with Village Hall Committee including improving the kitchen, hearing loop, parking, web-based booking and an extra meeting room	Kitchen improved, hearing loop fitted, parking improved. An extra meeting room a possible longer term plan.
	Need for more activities and groups	Provide communication facilities for people wishing to start or join new activities/groups via the web site	Village Hall advertised on D+H website and parish magazine. Additional suggestions made.
3.3	More use of Church	Review feedback with PCC/Vicar, and provide facilities for people wishing to arrange events in the church, via the web site	Suggestions made. Potential uses inhibited by lack of toilet facilities. No volunteers to pursue.

4. Environment and Open Spaces			
No.	Issue	Action	Result
4.1	Public Right of Way	Promote the work of Cotswold Wardens & consider monetary contribution to their work	Stiles replaced and funded through parish community fund.
4.2	Maintenance of common land etc.	Discuss with Parish Council	Discussed and being pursued by PC
4.3	Rubbish collection & fly tipping	Encourage people to report abuse	Contact details published in Parish Magazine. The PC now employ a litter picker for two hours every week to collect rubbish from the roadside and verges in the parish.
4.4	ditto	More litter bins etc & consider street lighting in Healey Drive. Consider installing 'No Fly Tipping' signs	No volunteers to pursue. The PC have installed two "CCTV in progress" signs in common fly tipping sites.

5. Traffic and Roads

No.	Issue	Action	
5.1	Inadequate roads	Ask PC to ensure any development must include road improvements	Discussed with the PC, who take the Parish Plan into consideration when dealing with planning applications.
5.2	Speeding	Lobby SGC re appropriate calming for Hinton road, with vehicle activated signs the preferred suggestion	Traffic speed survey June 2018. PC using community fund to purchase vehicle activated sign for Hinton.
5.3	Other road users	Consider what can be done to enable safe usage, given that most people do not want dedicated cycle lanes or pavements	No volunteers to pursue

6. Crime & Anti Social Behaviour

No.	Issue	Action	Result
6.1	Anti social behaviour	Encourage villagers inform police of anti social behaviour, including accurate description of vehicles etc	Tolldown car park closure by SGC has helped reduce this problem.
6.2	ditto	Ensure everyone know how to report such behaviour, eg notice boards, web site	Actioned through Neighbourhood Watch.
6.3	Neighbourhood Watch	Encourage the creation of a Neighbourhood Watch scheme for those interested	A Neighbourhood Watch scheme covering Dyrham and Hinton was set up in 2016.
6.4	Problems with dogs or horses	Publicise methods of reporting problems	No volunteers to pursue

7. Planning and Development			
No.	Issue	Action	
7.1	Housing development	Review detailed comments and discuss with PC (SGC)	Discussed with the PC, who take the Parish Plan into consideration when dealing with planning applications.
7.2	Development impact on Green Belt & Common land	Any future housing should be designed with adequate off street parking, and any future developments should place power cables underground	
7.3	Wind turbines	PC should not support further applications	
7.4	Large scale solar panel facilities	PC should not support further applications	
7.5	Other alternative energy sources	Encourage the PC to take an active role when reviewing alternative action plans for eg fracking	

8. Communication			
No.	Issue	Action	Result
8.1	Better information to residents on events and news in the parish	Working group to consider how to provide email and/or text notification of parish events, plus review ways of improving use of the community website	A Dyrham and Hinton messaging service (DaHComm) was set up in 2017.
