

Get Ahead of What's Ahead. BUILD YOUR DISASTER SUPPLY KIT

Build your kit all at once or step by step. Start with what you already have at home; then shop for the rest, as needed.

Pack these basic supplies for each person or pet in a portable container or backpack. A waterproof container is best. You'll need these supplies whether you stay in your home (shelter in place) or evacuate to another location.

You may have to leave in a hurry to get to a safe place. Keep these supplies near your car. When it's time, grab them and go.
