

2017 Fall Training Event

Fire Service Women of Illinois NFP

One Day, Hands on Training at
Carol Stream Fire Department
365 Kuhn Rd, Carol Stream, IL 60188
October 21, 2017, 8:00-5:00
\$75 (lunch provided)

You spoke, we listened!

This is a **one day**, conveniently located, live fire training event. This is your chance to get dirty, learn new skills, practice old skills, and train in a relaxed environment with your fellow sisters (and brothers) from throughout the state. All skill levels welcome and encouraged. Whether you have 1 year or 20, come learn from knowledgeable instructors, and most importantly, from each other.

Firefighter Down: Are You Ready?

We will cover tricks and techniques to forcible entry, victim removal and everything in between. This training will focus on the basics of Responder Intervention Team (RIT) operations through scenario based evolutions. We will cover RIT tools, forcible entry, size up, accountability, managing a 'Mayday', and victim extrication and removal. You name it, we will train on it! Firefighters and officers will be participating in all fire evolutions using scenario based training. Come out and learn the tricks of the trade from your fellow firefighters. Pass on your knowledge or learn something new, all levels of experience welcome!

Visit www.fswi.org for registration form and flyer.

Registration Deadline: **September 29, 2017**

\$75, lunch included
