Fouling must be attended to by a veterinarian. Any foal that fails to stand and nurse must be reported within ten (10) days with a written statement from the veterinarian.

Stallion semen owner is not liable for any sickness, illness, or death off mare or offspring.

The mare owner/lessee represents that the mare is healthy and in sound breeding condition. A copy of the registration certificate for mare shall be attached to this agreement with the credit card info. The mare owner/lessee whose name appears on this contract warrants that (s)he is the owner/lessee on record with AQHA. There will be a limit of up to three shipments of breeding doses per mare per 2016 breeding season. Contract is non-transferable.
