Social Style and Versatility

Potential Genesis HR Services LLP is the authorized reseller of TheTRACOM flagship product "Social Style and Versatility".

Most leaders recognize that their organization success is built on the capabilities of their people.

Leaders need to be supported to understand how to maximize the Individuals Potential in today's fast paced world.

Social intelligence helps in the realization of this true potential in individual, teams and entire organizations.

What is Social Intelligence?

Social Intelligence refers to the ability to understand

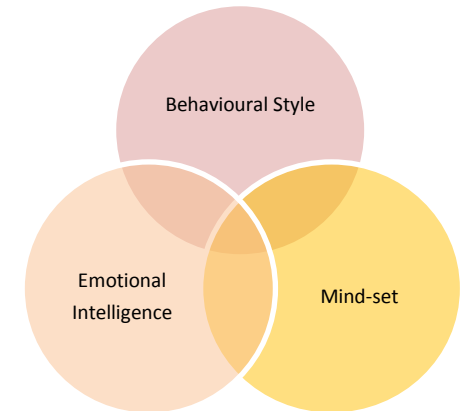

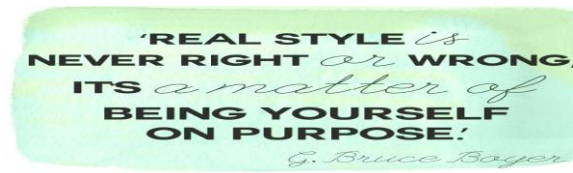

Understanding, Behaviour, Mind-set and EQ helps to optimize interpersonal relationship.

At its heart, Social Intelligence is the science of productive relationships.

Gains from understanding Social Style:

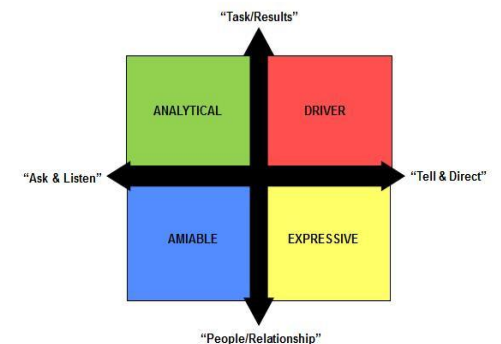

Organization, that fosters social Intelligence, experience high performance. The teams become more productive, collaborative and resilient. Less conflict, and more collaboration.

Three Core Elements

Each element is highly interdependent, creating a holistic picture of what makes us tick as **Social individuals**.
