RE: Playground Improvements for Nellie Keyes Park

Members of the Washington Avenue Coalition - Memorial Park Superneighborhood Council (SN22) have long been aware of continuing efforts to preserve and improve Nellie Keyes Park.

This is a highly visited park within our constituent Rice Military neighborhood and is a valued location for the residents to meet and mingle. An addition of new equipment to the playground area will expand recreational options for neighborhood families, and continue the improvements that were initiated in 2013 by the Association of Washington Avenue Neighbors (AWAN).

The SN22 Council commends the neighborhood residents for their dedication, and enthusiastically supports this matching funds application.

Thank you for your consideration,

Tom Dornbusch
President, Superneighborhood 22 Council
