THANK YOU, THANK YOU, PCDS PARENTS!

We loved our trip to Washington D.C. that you, our parents, made possible!
We attended fabulous workshops and heard captivating speakers.

Some of Betsy's and Rhonda's favorites were;

"Linking Emotional Intelligence to School Readiness",

"Higher Level Thinking", "Building Resilience in Challenging Times",

"Me and WE: Engaging Strategies for Developing Empathetic & Compassionate Behaviors in Preschoolers" and many, many more.

We will share the information we learned at our regular Tuesday staff meetings, and new ideas and materials will be introduced into our classrooms.

The Paddle Raise at the Benefit three years ago made it possible for us to attend the conference and have a wonderful faculty dinner. We have returned refreshed and inspired. We all had a GREAT time. THANK YOU for making it all possible!
