	Sign Language Guide (1)	

This is the weekly med bag check for BGE1. This form should be completed along with the weekly engine check form and placed in the binder along with the normal rig check form.

If items are going to expire in the next 30 days or if items are missing, a copy of this form must be given to the Duty Officer. The Duty Officer will then notify the Medical Supply Officer of the impending expiration dates and shortages.

**X = Listed Quantity is present and within Expiration Date**

**/ = Correction Made**

**O = Items Missing or Expired**
