Laps for Laurel is the main fundraising event for our school. The event allows students to raise money while promoting health and wellness.

Each fall, the Laurel student body and staff have the chance to get outside and run or walk laps around the school in a fun-filled, music enhanced environment. Students ask friends and family to sponsor their participation. The money collected is called a pledge. Students earn prizes for the pledges collected. Classes that earn the most money and run the most laps are also awarded. Because this is not a per lap pledge event, all donations are collected before the event.

In the past eight years, Laps for Laurel has raised over \$105,000. 100% of the money earned was invested to benefit Laurel students and staff. \$20,000 of the proceeds directly supported health and fitness at Laurel. The remainder funded books, literacy and technology tools, field trips, classroom aids, live performances for the students, our school yearbook and so much more. Last year we earned \$16,264 and we hope to earn \$17,000 this year!

# Volunteers & Donations Needed

Please return this sheet to your child's teacher by September 23rd.

Parents, we could use your help on September 30th! If a time below fits into your schedule, please sign up and help make Laps for Laurel a success! Don't have time to volunteer but want to help out? Consider donating healthy snacks, gift cards for student prizes or breakfast items.

Volunteer activities include: setting up the course, working the breakfast table, prepping students for the race, marking & tallying laps, distributing water and snacks, monitoring kids on the course, running with students or cheering them on!
