

YOU'RE INVITED . . .

BOB BONDURANT'S 80TH BIRTHDAY CELEBRATION

Another Marlen Motorsports vintage racing event is coming soon to the WILD HORSE MOTORSPORTS PARK (formerly the Firebird International Raceway) in Chandler, Arizona on October 11th, 12th & 13th, 2013. Registration is now open to the general public and we'd be honored if you'd join us . . . Our last event was such a huge success that we are turning up the volume for this special weekend of racing community action . . .

Join us as we make history as the first ever racing event at the newly named
WILD HORSE MOTORSPORTS PARK.

Come and enjoy three days of racing: Day 1 Practice; Days 2 & 3: Racing

We're expecting big crowds of auto enthusiasts from near and far for this exciting weekend of racing, community and birthday celebration . . . among vintage car racing's finest drivers, crews and families.

Race day guests will be treated to some extraordinary action on the track for three straight days. An admission ticket includes pit access, so they'll get rare opportunity to get up close and personal with the teams of their favorite vehicles. Of course, race participants have something special in store as well. Bob Bondurant getting behind the wheel and racing right along side us!

But not before he is the guest of honor at Saturday night's Bob Bondurant Birthday Banquet!

During this historical racing event, filmmakers will once again take this opportunity to get it recorded for the history books. You'll be able to participate in these parade laps until the director says "cut"!

Off the track, we've got a lineup of vendors to offer their services to you, your families and crew. Food, merchandise and a lot of good music to help keep you going all weekend long! Not to mention that within blocks of the track there are restaurants, a shopping mall, attractions and a brand new casino!

Ever see a night-time jet drag race? Well we've got that lined up as well!
