## JUDGMENT IN THE 10TH GENERATION?

The purpose of this illustration is to show that this period of time and generation may very well correspond to the modern counterpart of the time when Noah witnessed the Deluge came to judge the then known world. There will be several graphics presented that can lend credence to the possible timing of the deliverance to come that corresponded to the Deluge, i.e., the Rapture of the Church as a type of divine deliverance. The illustrations presented will be presented from a Dispensationalist point of view and from Hebrew Scriptures; Book of Genesis 7 and 8 primarily. The information presented will only emphasize patterns and types alluding to 'as in the Days of Noah'.

### SOME OBSERVATIONS

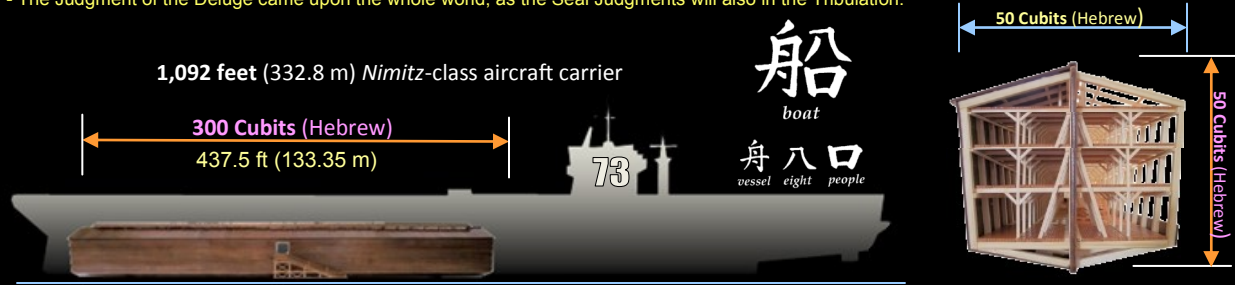

- Jesus Christ attested to the Deluge account as being a fact and not fiction in Luke 17 as do most world civilizations that have a flood story.
- Christ declared that before His 2nd coming, the world would be as in the 'Days of Noah' and on the verge of the LORD's 'New World Order.'
- 2 intersecting comets of 1996 & 1997 could be the confirmation of a cosmic countdown to the end of the 'Season of Noah' in this generation.
- It is believed Noah died around 2006 BC, it may correspond to 2006 AD; it took 120 years to complete Ark, a clue to Judgment possibly starting.
- The Seal Judgments, not the Rapture starts the Tribulation, regardless if it's 7 or 3.5 years. The year 2006 + 120 months = 2015. (Jewish count)
- The Judgment of the Deluge came upon the whole world, as the Seal Judgments will also in the Tribulation.

### Luke 17:24-36

An important clue about the timing and sequence of the Seal Judgments of Revelation and how it all will come down is given by the LORD Himself. Christ, in the same breath spoke of...

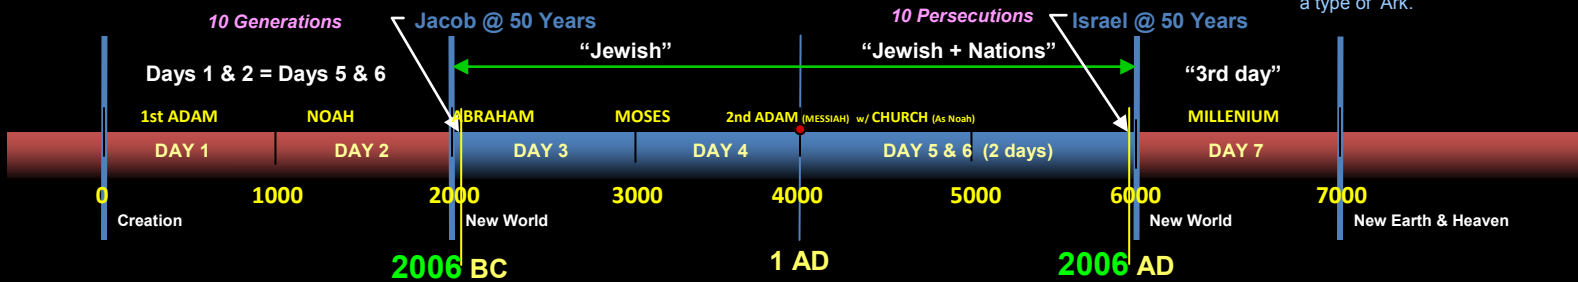

- 1) The Glory,
- 2) The Judgment
- 3) The Rapture

This Scripture sequence appears to be in reverse order. A Rapture (a snatching away) happens before the judgments and the judgments then happen before the glorification of the Son of Man. So it would appear that the Rapture is a type of 'Ark.'

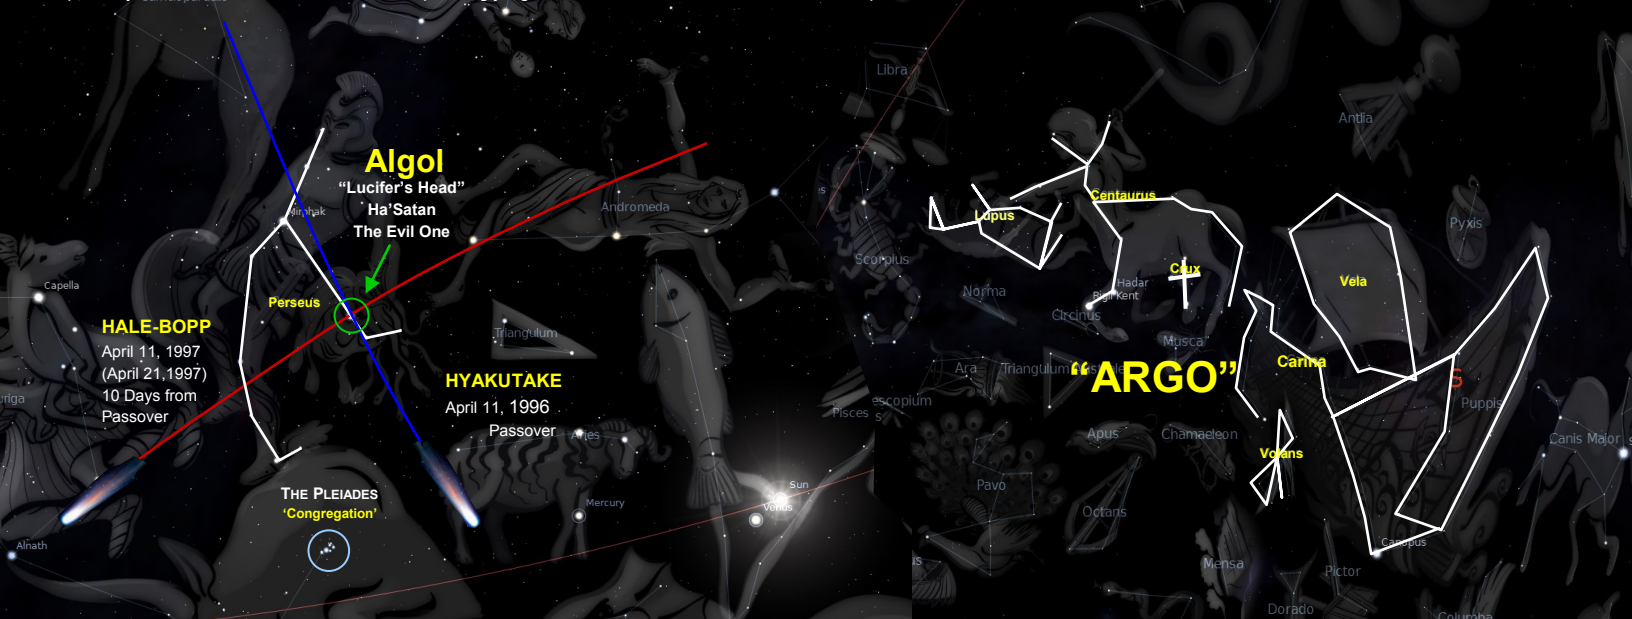

### "THE DAYS OF NOAH"...

### "AS IN THE DAYS OF NOAH"...

### THE SEASON OF NOAH

The year 1998 happen to be the 50<sup>th</sup> Anniversary of Israel's rebirth. The year 1998 corresponded to the Jewish year 5758. Also when converting the number 5758 to its equivalent in Hebrew letters, it translates to the "Season of Noah." Thus here is a powerful clue to suggest that the founding of Israel –as with Jacob being 50 years old when Shem died, has possibly started the final countdown to this pending judgment of Lucifer, the World and the redemption of Israel.

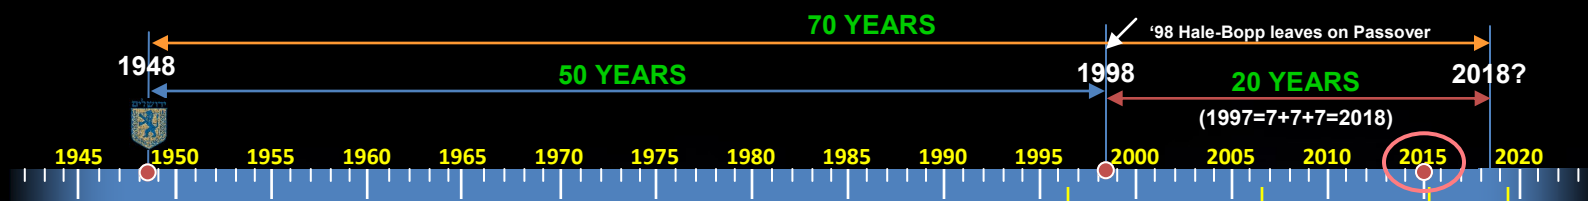

### COSMIC OMENS?

Both comets Hyakutake and Hale-Bopp crossed the same star Algol in the constellation Perseus exactly 1 year apart on April 11 marking a 'cross' intersection precisely over the "evil eye" of the star Algol.

### COSMIC ARK

This constellation is referred to as 'Noah's Ark' in the Havens taking the Pilgrims safely home sailing on the Milky Way 'River'. This 'Celestial Boat' is next to Centaur piercing the 'Victim' Lupus that is crucified.

### THE 10TH GENERATION

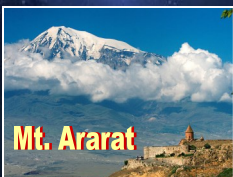

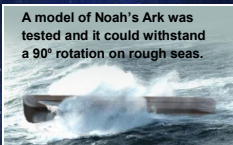

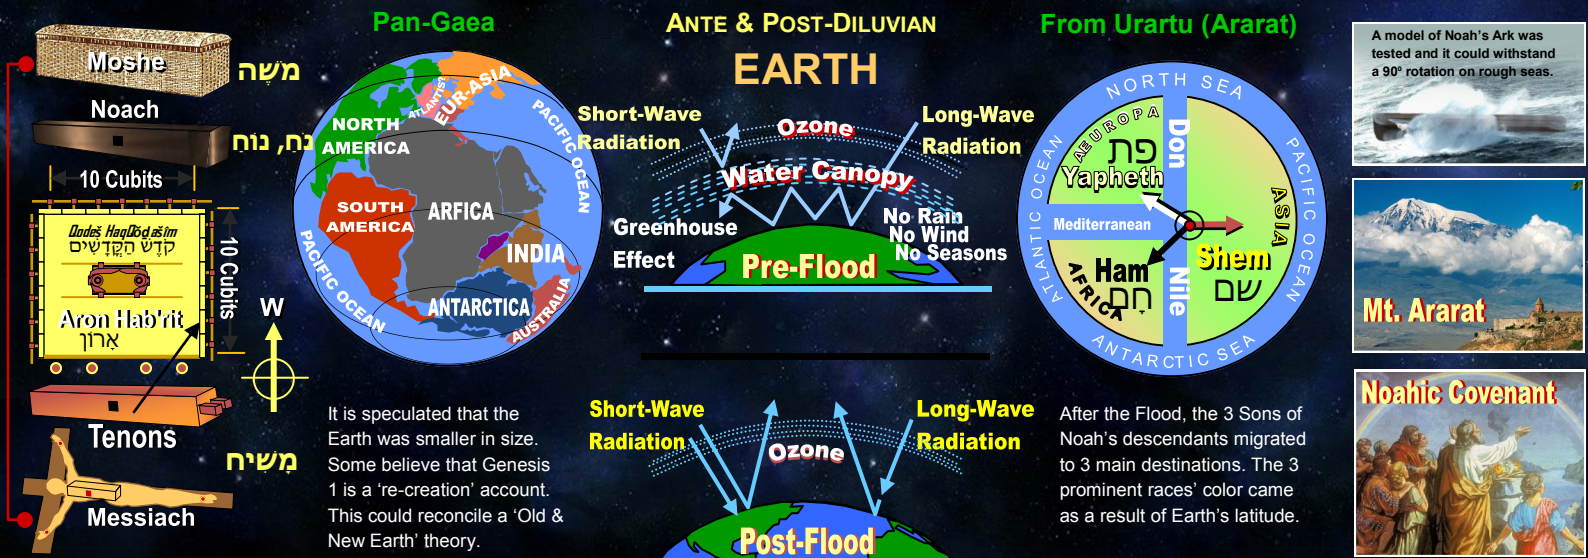

Shem did not die until Jacob (Israel) was 50 Years old. Israel's 'rebirth' was solidified on 1948. By adding Jacob's '50-Year' pattern to this time piece of Israel, the end date results in 1998. Coincidentally, comet Hale-Bopp left the skies in 1998 on Passover. A possible correlation could be that IF the 50<sup>th</sup> year since 1948 is 1998, then the generation count from 1948 is the benchmark of GOD's prophetic clock to the countdown of when the Seals of Revelation begin.

Since Noah was the 10<sup>th</sup> Generation or last one from Adam at the time of the Flood, will the Judgment then happen at the Generation that sees Israel's rebirth? Using Psalm 90's definition of the length of a Generation as 70 years, then the count would result in the year 2018. Also if it took 120 years for the Ark to be built, then a correlation could have a Year-to-day count: then 2006 + the 120 Jubilee pattern would result in the year 2015. Assuming 30 day/month count.

A) 120 month x 30 days = 3600 days/365=9.8 years

B) 2006 + 9.8 years = 2015.8 PASSOVER

C) 2015.8 + 3.5 YEARS = 2019.3 PASSOVER

### ARK TYPES OF DELIVERANCE

Several arch-types of Arks (Chests) are seen in Hebrew Scriptures. They were vehicles and types associated with water and a deliverance from wrath of YHWH. The 'Arks' signified a deliverance and protection from pending judgment. The Ark or Teiva of Bulrushes was used for Moses in Egypt. It is speculated that it had the same dimension as the Ark of the Covenant. All 48 Tenons of the Tabernacle had a center groove like that of Noah Ark's door. The Tenons had, in proportion the same dimensions as Noah's Ark. Jesus Christ on the Cross was pierced on the His side; Blood and Water flowed out as a type of an open 'Ark' door that provided deliverance from the Wrath of GOD for the sins of all Humanity.
