## THE ROGUES ARTISTS GROUP MEMBERS EXHIBIT

Organized by the Rogues Artist Group, with members across the state of Wisconsin, the Music to My Eyes exhibit features artwork inspired by music. From a favorite song to the melodies of nature, artists used music as their inspiration to create stunning visual representations of their musical inspirations. Displaying 21 artists, the exhibit represents a variety of mediums, including oils, watercolor, pastel, print-making and mixed media sculpture. On view through August 14th, stop in to enjoy an exhibit of visual art created from auditory art.
