LaTrease Stevenson, Budget, planning to go with a new CPA this year if approved by Board. Will be a savings to go with new CPA.

Other Business, motions approved for the budget to be submitted as is and was approved.

Coach Rhett, Field mats-sideline covers. More expensive than anticipated. \$3800 per mat will need two. Cost goes up substantially if our name is added to approx \$11k. A place for OL to stand etc. Can't use previous logo as was complained about. New logo approved by administration is in place
