Watch Week

February 12th—17th

Welcome Back

I am so excited to get the 2nd semester under way! We have so many exciting things planned for the spring.

The staff and I can't wait to see how each of you will grow and become better dancers this year.

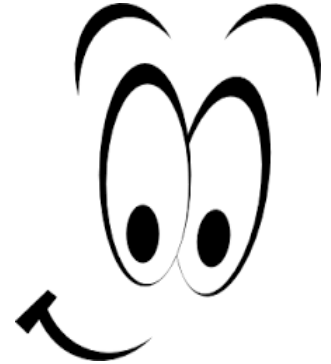

Thank you for choosing MCDA for your dance education experience!

Love and Plies,
 Miss Kelly and Staff

Mark your calendars for watch week.

Bring your cameras
 and come see all the
 great things we have
 been working on in
 class.

Dress for Success

I can't stress enough how important it is to come to dance class prepared, mentally and physically. Taking a few minutes to do your hair in a neat and professional manner, as well as, putting on the proper attire is key to preparing yourself for a success dance class.

Please review the dress code on the studio website and be prepared to look like the professional dancers you are!

Attendance and Make Ups

As with anything in life good attendance is crucial to your success. I know school and church activities can sometimes conflict with dance class. It is important that dancers do their best to be at class and on time.

If you have to miss, plan to do a make up class. Dancers are encouraged to attend any equal or lower level class as a make up. Dancing down a level once in a while is a great way to remind your body about the basics and refining your technique.

Recital Details on the Back
