## Featured business .... The Bridge, Dane Road, Sale

Treat you and your best friend to a lunch date at The Bridge. We love your poochie pals almost as much as you do. From fresh water bowls inside and out, a wall of doggy treats and comforters to our delicious homemade menu and interesting selection of beers, there is sure to be something for everyone to enjoy.

The owners, Lisa Kettle and Danni Condron, know what it is like to share your adventures with furry friends being parents to two adorable dogs, Daisy and Denzel. They have tried to think about the guest journey through our canal side pub from both the perspective of our valued guests and their pets. Their commitment to excellent quality food is what drives us to be constantly reinventing both our bar menu and also our two course lunch which offers wonderful value at £10.95. We also have brunch available at the weekend and are excited by the prospect of some summer sun bringing back our popular outside pizza oven.

This month we celebrated Chinese New Year as we moved into the Year of The Dog!

We hope all our clients had a wonderful Chinese New Year and all the doggies certainly had a great time.

We also celebrated getting 4,000 likes on our Facebook page! The lucky 4,000th client received this mug as a gift!

Keep liking, next we want to reach 5,000!

At Dogs and Divas Doggy Daycare the celebrations never end! Next month we'll be celebrating our four-year anniversary! We're very grateful to all our clients; from those who have been with us from the beginning to those who have only just joined us and everyone in between. We're lucky enough to have some of the nicest clients and friendliest doggies in Manchester! Thank you for choosing us to take care of your beloved pups!

In celebration, on the **12<sup>th</sup> March** we will be having a doggy party with treats for everyone and a competition! Categories include:

Leila is February's Employee of the Month. Leila has been working at Dogs and Divas for almost two years and in that time she has always been hardworking, reliable and is always ready to lend a helping hand. All the dogs and clients love her. Congratulations Leila!

"When I started working at Dogs and Divas, I began doing an Apprenticeship in Animal Care which helped me gain the knowledge and insight of how doggy daycares work. Once I finished my apprenticeship, I was given a full time job by Dawn and have now worked here for nearly 2 years."
