

We at PVC strive to deliver the best quality emergency vehicles, parts & service to your door with the safety and dependability that you have grown to trust. Our team has combined over 150 years experience in fire & EMS service as fireman, EMT's and paramedics, so we understand the challenges you face every day.

We stock our shelves with items from over 300 vendors to save you crucial time. If we don't have it in-stock, chances are we can get it.

If you don't see it in the catalog, please call 888-870-7278.

**Main Office: (207) 364-2400
Fax: (207)501-3077**

We ship UPS Ground. Most items are in-stock and will be shipped same day. Basic **shipping charge** is \$16.00. Some items due to their weight or physical size require additional shipping charges, (Wheel sims, Inverters, steps & sway bars).

MERCANDISE RETURNS: Products may not be returned without prior authorization. Merchandise must be returned prepaid. Merchandise must be returned unused, in its original packaging. Electrical items may not be returned unless shipped in error and is unused.

Title to goods shall pass to the purchaser upon delivery to the carrier. If the purchaser receives goods in broken or otherwise damaged condition, he or she should insist that the carrier note the damage on the delivery receipt.

WARRANTIES: Warranties are the sole responsibility of the manufacturer and they shall make the final determination as to warranty adjustment. Generally: Strobes & reflectors—6 months, Siren drivers or speakers— 2 years, Dashlights—5 years, LED lights—5 years, Inverters—1 year. Bulbs, flashers and rotators do not have a covered warranty period. Professional Vehicle Corporation will assist you in obtaining warranty coverage for your defective product.

All major credit cards accepted. Credit terms available.

Inverters/Chargers

Inverters / Chargers

Vanner

20-1050CUL-DC	Life Star 12-VDC to 120-VAC inverter w/battery charger/conditioner. Includes: - a ground fault interrupter plug-in for connecting AC output - quick connectors for pre-wired vehicles
IFM1	Interface module for use with 20-1050CUL inverter (not required for the Life Star model)
CONN-IVE	Anderson style connectors for Vanner inverters
CONN-IVE COVER	Cover for Anderson Connector

Vanner Charger/conditioner, transfer relay, 20 amp KKK Spec portable equipment charging circuit. Output is 1050-watts continuous, with a 2100-watt surge capacity.

Xantrex

INVE-FREEDOMHW	Freedom HF/1055EMS, Inverter/charger 1000w, 55amp
-----------------------	---

Iota

DLS-15	15-amp charger/converter
DLS-30	30-amp charger/converter
DLS-45	45-amp charger/converter
DLS-55	55-amp charger/converter
IQ4	Controller, Converts Iota chargers to a 3-stage Smart Charger

CONN-INV

CONN-IVE COVER

Iota Charger/converter quickly charges batteries from the full rated output of the charger. The DLS then maintains the batteries by putting in only what is required by load or self discharge. 13.6 volt output.

Service & Upfit Department

In-house Service * On-Site Mobile Service

800-894-7788

PVC has been representing AEV ambulances since 1996. Our steady and consistent growth in New England indicates our customer's valued trust in our workmanship. We have extended this same quality to our service and unfit departments. While you do your general maintenance and service on your fleet, we are here to handle the upgrades and repairs that are warranty and non-warranty issues.

We carry an extensive variety of parts for replacement and service on all AEV units as well as most other emergency vehicle manufactures. Call us to do on-site repairs and upgrades throughout New England.

We will work closely with you to plan, modify and customize your vehicle; at the same time organize your vehicle and improve ergonomics for your personnel. Our graphics department can work with you for a new look or duplicate your existing graphics. From installation of radios, sirens, lighting, & computer equipment, to custom cabinetry; we will make the transition easy and efficiently.

Police Cruisers * Command Vehicles * Fire & Rescue Vehicles * Commercial Vehicles

Dedication

It is with great sadness that we said goodbye to our beloved founder of Professional Vehicle this year. Bill lost his battle with Alzheimer's, but he fought a good fight. Bill achieved his dreams - he adored his family, treated all of us at PVC as family, and was well respected within the community. He was an honest businessman that gave back to the world in every opportunity he could find. He mentored many people in the E.M.S. community and treated everyone with respect. We will continue to grow PVC with the same values and great care that he did for 22 years.
