

I just can't stand litterbugs!

Whoa, Tammy! Can we say "mouthwash"?

What is that guy doin' ?

Come on, Fishee, Fishee, Fishee ...

That's right. I'm a vegan.

I missed you, Fred!

Don't worry, boss. I got it! Hot babe at 50 yards!

Ha, Ha! Look at the animals in the cage!

I told you not to stick me with that thing! Say you're sorry!

Dad! Can we just take the car next time? My butt hurts!

Do you want a “blow dry” with that?

You’re my very bestest friend in the whole world.

I agree. Sometimes it's nice to just sit and enjoy the peace and quiet.

Where is your brother! I'm never taking him to the grocery store again!

Yes. They're looking for a Walmart.

Ah.

Master, I think you're "dog's best friend".

I really like the shade, but all this rocking is making me dizzy!

My brother is cute, too.
