- ❖ Minutes from October 26, 2021 were approved by the Board unanimously.

**Other Business:**

- ❖ Alden brought to the other Board members attention that there has been several calls concerning the sightings of a man living in a tent or car at the old town dump, which is Town property. He stated that there has also been sightings of medium to heavy traffic seen coming and going from there as well. Alden thought it might be a good idea to approach this said person and give hi m a few weeks to relocate somewhere else. Calvin suggested calling the State Police and allowing them to manage the situation, Darren agreed with Calvin's suggestion to have the State police oversee it, being that it is Town property, if something were to happen to the said person, the town could be liable. Alden agreed and will be giving the State police a call. More on this subject will be continued after the investigation is complete.

- ❖ Christy and Becky discussed with the Board about a request for a tax abatement hearing. Christy will be calling VLCT to see if we are allowed to deny this request or if we are obligated to hold one. More on this will be discussed at the next Board meeting.
- ❖ Becky and Christy discussed Audit firms with the Board and will be calling in the next few weeks to get pricing.
