To promote responsible breeding, all of our puppies are sold on a Limited Registration basis. Limited Registration means that they are ineligible to enter conformation shows or produce registered offspring. They are eligible to enter other CKC events such as hunt tests, agility, obedience and field trials. Puppies purchased from Downtree are bought as companion dogs by owners who have no interest in breeding or showing; therefore, Limited Registration will have no bearing on these dogs and their owners. However, Should an owner decide to become involved in breeding/showing in the future, and the dog is deemed to be breeding/showing quality, the option for Downtree Kennel to reverse the registration and allow full registration is available.
