LOVES

..... DIRECTOR'S NOTE

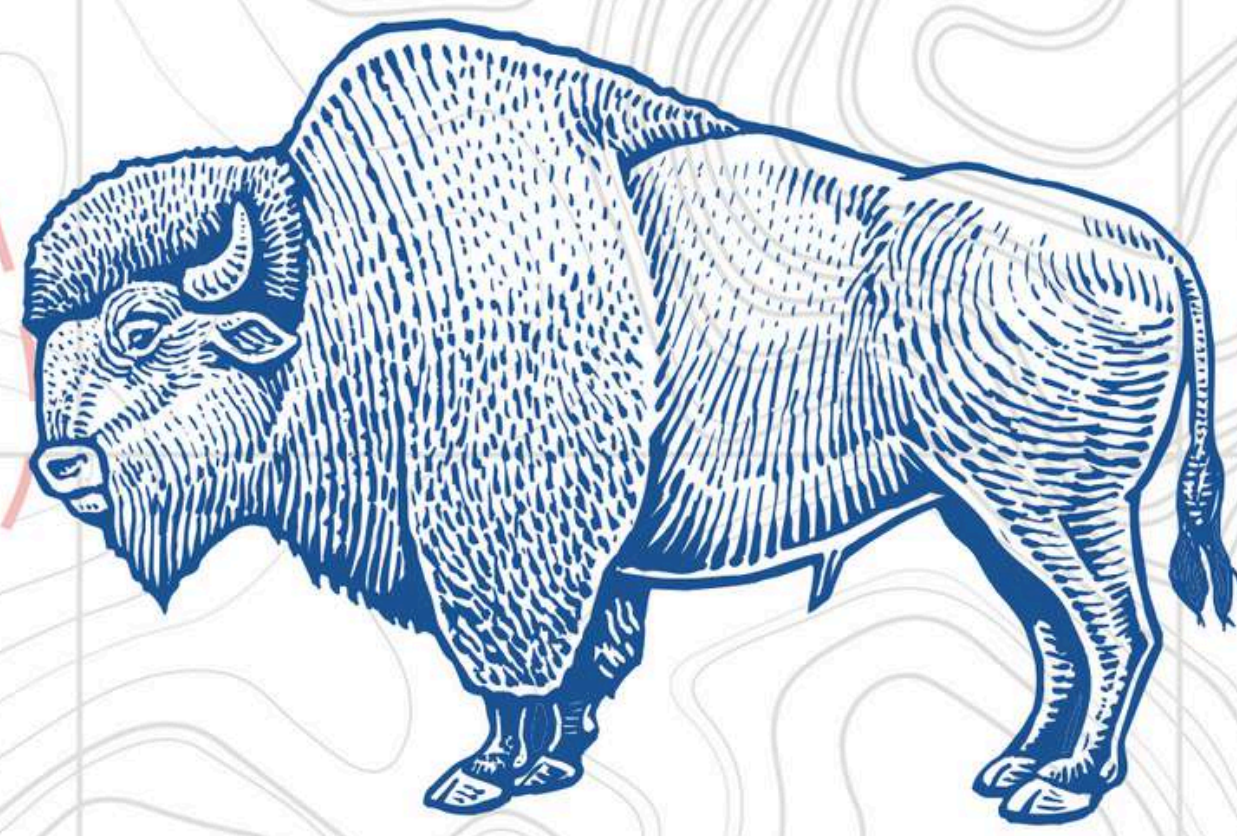

Welcome to the bright and colorful world of Finding Nemo Kids! These young actors have been working very hard for several months to build their skills and perform this musical for you today. They are full of light and love, and these attributes shine through in their performances. It has been a pleasure to work with these talented kids and such a dedicated team.

Finding Nemo Kids! is a story with many valuable lessons. As the director, I've loved taking some of these messages to heart. Like Marlin, I've learned how beautiful it is to watch these wonderful kids explore and grow—and that oftentimes, you really do have to “Go With the Flow”. We've all had times when we felt similar to Nemo—out of place or different from the crowd—but then found that our unique qualities are what makes us strong. And of course, possibly the most iconic lesson of this story: “Just Keep Swimming”. When you think about it, it's not so different from the old theatre adage, “The Show Must Go On”. That's what life—and art—is all about!

Thank you for coming, and enjoy the show!
