President's Report

By Ken Gordon

Merry March Everyone!

I would like to start by thanking Jan & Dave Raven for a wonderful afternoon at their home to raise funds for the Heart & Stroke Foundation. There were amazing raffle prizes and endless amounts of food and beverages. Even though several of our club members have had heart issues, Dave Collins took the floor to inform us of his personal scare from a heart attack. Dave was emotional telling his story and it was a real eye-opener. Thanks to everyone involved and **STAY HEALTHY!**

Hope everyone enjoyed Family Day. It's nice to have a long weekend in February. Marilyn & I took our family to an Oshawa Generals game (Generals won in overtime) and then we pigged out at Buffalo Wild Wing. Lots of Fun!

I was not able to attend the Casino Trip, but hope everyone came home with fatter wallets.

I would like to encourage members to come out to Motorama at the International Centre March 9th - March 11th. Brian Lindow has organized an area to display six Corvettes at the show. Volunteers are always welcome to represent Corvettes of Durham and Quad C. If you can help out please contact **Brian 647-237-8209 or me at 289-923-8333.**

Jann Langlois has organized a couple of events for us this month, so please check the Calendar of Events for dates and locations.

Our next General Meeting will be Wednesday March 21st at Amici. See you there and have a **Happy St. Patrick's Day.**

Cheers!
Ken

Corvettes of Durham was established in 2000. We meet on the third Wednesday every month at 7:30 pm. During the summer months, we arrange 'offsite meetings' and cruise to different locations. If you have a favourite restaurant, suitable for a meeting, please let the Social Convenor know.

Corvettes of Durham Social Report – March 2018

By Jann Langlois

Casino Day

We had winners, and we had losers, we had early risers and late nighters, but we had happy people going to and coming back from Fallsview Casino on Sunday February 25th for the Casino Cruise.

The Fun Bus picked us up and made a quick run in light traffic, Walter did his magic and we had sunshine once we had Durham Region in our rear view mirrors. Music, conversation and laughter all the way to Niagara Falls!

After a slight wait in the buffet line (*Rock of Ages* was playing in the Auditorium) we were able to choose our lunch.....everything from sushi to roast beef. Ron L. was even able to get his omelet breakfast with lots of bacon, sausage and potato latkes.

An enjoyable afternoon of gambling, shopping and people watching followed, with Donna and Howard being gifted with some extra gambling money by a woman who followed Ellen DeGeneres' suggestion to "Pay It Forward".

Happy, tired Corvette people were picked up by the bus at 5:45pm and enjoyed an on road movie and we were back to our cars in Oshawa before we knew it!

Many Thanks to Walter and Pauline, Dave and Jan for a fabulous time!!! Can't wait to go again!!!

Christmas Dinner and Dance December 8th

As mentioned at the February members' meeting, I am looking for feedback from our membership as to what style of meal service you prefer: Buffet style, Family Style service or Plated. Please send me your preferences as soon as possible. And of course, the majority will have to rule.

Canada Day Parade, Port Perry

I am looking for interested people for the Canada Day July 1st parade. The new organizer would like to know how many of us would like to participate. I know my request comes early, but enquiring minds want to know! 😊

I look forward to your feedback on the above two items by email (corvettegirl@rogers.com) or phone (905-419-2924).

Thanks!

Jann Langlois

Thank you!

After suspecting that his neighbours had stolen items including his lawnmower, a Florida man allegedly took matters into his own hands by setting fire to the neighbour's Red 1984 Corvette. An unidentified witness used a garden hose to put out the fire, which had been started by pouring gasoline on the driver's seat then using a lighter to set the car on fire. Police charged a 38-year-old man with

burglary of a vehicle and arson. Damage to the Corvette was apparently confined to the car's upholstery.

From a Facebook Motorheads website:

Corvette Rat Rod

Thanks to COD member Brent Giffin for sharing!

The first several hundred 2019 Corvettes that were built had this sign in the window. That way the line workers could differentiate the 2018's/2019's on the plant floor without having to check the VIN #s!!

Here's what the mid-engine C8 Corvette will look like

There's been plenty of talk about the upcoming eighth-gen Corvette, but no one outside GM has seen it. Illustrated using drops of leaked information from a GM Deep Throat this exclusive rendering of the real thing is no mere guess. You can learn more by [clicking on the photo](#). Info from Hagerty Insurance.

NCM Sinkhole update: The [sinkhole-damaged 1962 Corvette](#) has now been restored as good as new by [National Corvette Museum](#) crews. The Tuxedo Black roadster was one of the [eight classic Corvettes](#) that plunged into the sinkhole that suddenly opened up underneath the NCM on Feb. 12, 2014. The '62 had been donated to the Museum in 2011.

During the past year, members of the NCM team have been busy repairing the damage done by the fall into the sinkhole. The car will be put back into its original pre-sinkhole display space in the Skydome. GM donated \$25,000 to cover the restoration.

The [2009 Blue Devil ZR1](#) and the [1992 1 Millionth Corvette](#) damaged by the sinkhole have previously been restored. The other five 'Vettes that plunged into the hole will continue to be displayed in their *as-found* condition and will not be restored.

In February 2017, the car was removed from its display in the Skydome still wearing all of the dirt and dust from its subterranean adventure.

It was transferred to an NCM garage bay for repairs. Given that the work was performed in the Museum, visitors have been able to watch the

car's progress as it was actually happening and see the car come back to life.

The National Corvette Museum acts as the steward for all Corvette enthusiasts, by fulfilling their mission to celebrate the Corvette's invention and preserve the legendary automobile's past, present and future. The Museum serves as an educational and research model for all to enjoy.

Did you know that the Museum has **CORVETTE SPECS?**

Whether you're researching a particular model year Corvette or just browsing through history, they have specs, production counts and other information of interest available.

Just log into the website <http://www.corvettemuseum.org/> move your cursor to *Learn* and a pop-up will appear on the left; scroll down to Corvette Specs, click and you will find every generation.

And don't forget about other Corvette Information: **Corvette Hall of Fame, Corvette Racing, Monthly Calendar & Screen Savers, Library & Archives and Build Sheets & Window Stickers.**

The Museum also has a new racing simulator attraction! For \$10, users will be able to select one of three vehicles (C6 Grand Sport Convertible, a C7 Corvette and the C7.R Corvette racer) and a variety of courses. The simulator is built from a Blue C6 Corvette Coupe that will eventually be wrapped to resemble a C6.R, complete with real graphics from the Corvette Racing team. The wheels rest on special pedestals that provide the feeling of movement in the car. The steering wheel also gives feedback which helps provides the simulated race action! The new simulator will be in place for the NCM Bash coming up in April. **Who will be the next Magnussen or O'Connell??**

Your link to complete race schedules, results, news and a history of Corvette Racing from 1999 to the present is:
<http://www.corvetteracing.com>.

In 2018, Corvette Racing celebrates its 20th season of competition. They have enjoyed considerable success at several venues but at Sebring International Raceway in Florida, where the upcoming 12-hour endurance race will run, the team has claimed class victories 11 times since its first win in 2002, when Ron Fellows, Johnny O’Connell and current driver Oliver Gavin took the GTS win. Next month on the March 16-18 weekend, Corvette Racing will be seeking its fourth consecutive Sebring GTLM victory.

“Sebring certainly holds a lot of great memories for Corvette Racing, some very interesting memories, some not so interesting,” said Corvette Racing Program Manager Doug Fehan. “Early on when we started here, this was our Bermuda Triangle. Back in 1999 and 2000, we couldn’t do anything right here. No matter what we did, it turned out to be disastrous. But as usual, we kept our shoulder to the wheel, heads down and have developed a pretty good relationship with the track right now.”

Doug went on to say “The cars like it here...the drivers like the track because it’s fast. It takes a great deal of skill and experience to be able to run the full 12 hours without hitting anything, without breaking anything and without running off the racetrack. You need to be prepared for this event and this event alone. Don’t. Lose. Focus. This racetrack is so unique in so many ways.”

Corvette Racing will aim for another class win with Jan Magnussen, Antonio Garcia & Mike Rockenfeller in the No. 3 Corvette

and with Oliver Gavin, Tommy Milner & Marcel Fassler (below) in the No. 4 car.

Results and photos will be featured in our April newsletter. Stay tuned!
