

Hello Prospective Waves,

Thanks for your patience as we prepare for our upcoming Waves track season. We had a very rewarding 2022 cross country season (Aug-Dec). Our 30 Waves competed with the best runners throughout So Cal. We are proud of the many top finishes at our USATF Region 15 Junior Olympic XC Championships held in Las Vegas, NV in November as well as the 14 Waves who competed in December at the USATF National Championships in College Station, TX. Three Waves earned All-American Status- "All-American" means top 25 by age group in the nation!
