

2024 NJHFR CAMPSITE INFORMATION

There are plenty of campsites at the Iowa State Fairgrounds in Des Moines, IA. Some of the sites are in the hillsides of the fairgrounds and may be uneven. Make sure to bring blocks in case the area you are assigned is not level. These are water and electric sites. Pumping services will be available on site through Bob's Septic (contact information & pricing can be found on the national website and on grounds). **The sites are all \$350 for the event .**

Reservations for camping will be made through the National Office by State/Provincial Secretaries. Campsites will be assigned on a state/provincial area block. We will make every attempt to keep everyone camped with their state, however, if others from your state are inconsiderate as they arrive, we may have to camp you in another area. **We HIGHLY recommend that someone from your state coordinates parking for your designated area so that everyone can be camped together.**

Electric service is all 30 amp. Please make provisions and prepare for this. This may mean you will need adapters.

Extended families will be invited to camp as well, however their reservation **MUST** be received with the rest of the state or provincial reservations (including full payment to the state secretary) by the paperwork deadline.

State and Provincial secretaries should collect payment from all campers and remit one check from your state or province to the NHSRA. **There will be no refunds issued after June 3rd, 2024! If a refund is approved, it will be remitted directly to the State Secretary who will disperse funds accordingly in August 2024.**

NO REFUNDS WILL BE ISSUED FOR CAMP SITES UNLESS THERE IS A CLERICAL ERROR OR IF REFUND REQUEST IS RECEIVED BEFORE JUNE 3, 2024.
