### Ingredients:

2 oz. Bacardi Rum

6  $\frac{3}{4}$  oz. Dark Ale (as you all know by now, I personally prefer Guinness)

1/3 oz. Molasses

Grated fresh nutmeg

Combine all ingredients into a large mug. Heat a metal spoon either by gas cooktop or place in oven under Broil for several minutes. Be sure to use a potholder when handling the spoon. Once good and hot, use spoon to stir ingredients together until well combined. Grate fresh nutmeg over the top. Drink should be enjoyed warm or hot.
