

2016 CHRISTMAS BASKET PROGRAM MULTI-AGENCY APPLICATION

Each year community organizations in Placer County collect and distribute food, clothing and toys to families in their community. These charitable gifts do not affect any government assistance you may receive. Only **one** application per household will be accepted. All names and addresses will be cross-checked with other applications and possibly other local Christmas Program organizations. If you live with another family or if other adults live with you, we ask that they are included on your application.

For you to be placed on the appropriate organization list for a Christmas Basket, your completed application **must be received by your local program 10 days prior to their distribution date** (found on the back of this form). **Please mail to the appropriate organization listed on the back of this application based upon your physical address. DO NOT SENT THIS APPLICATION TO YOUR SOCIAL WORKER.**

All food and toys (if offered or available) must be picked up at the designated place, date and time. Any questions, please contact your local area organization listed on the back of this form.

Please keep the top portion for YOUR pick up location, date and time
