As a writer and graphic artist, I want to know that my work is contributing to the forces of good.

JBH Books will not publish anything that promotes racism, sexism, homophobia, cruelty, fundamentalist religion, fraudulent or dangerous ideas, undeniable medical quackery, libel and slander, stupidity, and anything else that pollutes the mental marketplace.

I want to work with evolved, thoughtful, forward-thinking writers whose work uplifts the human race. Your work is the kind that people keep in their homes for a lifetime, perhaps in the place of honor on the nightstand. Your work speaks the language of "Yes."

I look forward to working with you.
