DIRECTOR'S MESSAGE

We celebrate our 4th summer making great theatre with our actors! It has become a tradition now to have our performances outside and to take our actors to perform for the residents of a local Retirement Home. This summer we visited Magnolia Place in Roswell.

This year, I am so pleased to welcome Ms. Megan to Summer Camp. Ms. Megan has been an amazing assistant this whole season and I look forward to a long partnership with her. Mr. Alex has been involved in every Summer Camp we've had, and he now joins Little Actors' Studio full time. Mr. Alex is going to keep me up to date with technology!

We are happy to see our actors returning year after year to our program as well as discovering new talent and friends. It is an awesome responsibility to be molding the minds of these precious little actors and not one that I take lightly. The skills these young actors are learning will help them throughout their lives. We are building self-confidence, out-of-the-box thinking, and the ability to work cooperatively with others of all ages.

I am always impressed at how brave these actors are as they go out on stage to sing like no one is listening, dance like no one is watching, and act like their lives depend on it. Their favorite part might be dressing up, learning the exciting music, or kicking up their heels, but surely your favorite part will be watching the joy of our little actors as they bring you *Junie B. Jones, the Musical!*
