Safety Guidelines

We will be practicing all Covid 19 safety guidelines recommended.

All dancers are to be dropped off and are to enter the front of the building. Only parents permitted to stay on premises are those attending the Boogie Babies class and we ask for only one adult to accompany the student if possible.

Chairs for Boogie Babies class will be distanced accordingly, and we ask they not be moved.

No food or drink (except personal water bottles properly marked) may be brought in. No disposable water bottles please!

Dance students should bring only their dance shoes and water bottles and nothing more.

If you or anyone in your family is experiencing any symptoms, please contact the studio but remain at home.

Masks are not required for dance students.

Parents should remain in their vehicles to pick up their child. The staff will help the students depart the building to assure their safety.
