Open Barrels, Youth, Senior. Poles and Other events

Places Paid	Payoff Breakdown	
1	100%	
2	60-40%	

	3	50-30-20%
	4	40-30-20-10%
	5	33-27-20-13-7%
	6	29-24-19-13-9-6%
	7	32-23-19-11-7-5-3%
	8	32-22-17-11-7-5-4-2%
	9	30-22-18-10-6-5-4-3-2%
	10	22-17-13-11-10-8-7-6-4-2%
	11	21-18-13-11-10-7-6-5-4-3-2%
	12	20-18-15-11-8-7-6-5-4-3-2-1%
	13	17-14-13-11-9-8-7-6-5-4-3-2-1%

6.1.2 In the event that the number of places to be paid in a division is greater than the number of contestants that fell into that division.

The number of places paid to that division shall be adjusted to equal the number of contestants that fell into that division.

6.1.3 In the event that no contestants fall into a particular division, the monies from that division will be split proportionally into the remaining divisions.

6.2 Divisions of Monies

6.2.1 Monies for 4D classes will be split between the divisions of the 4D with 30% going to the 1D, 27% to the 2D, 23% to the 3D and 20 % going to the 4D of the total jackpot and any added money.

6.2.1a Monies for 5D classes will be split between the divisions of the 5D with 26% going to the 1D, 23% to the 2D, 20% to the 3D, 17 % going to the 4D, and 14% going to the 5D of the total jackpot and any added money.

6.2.2 Monies in each division will be divided as follows:

6.2.3 The payoff for each place shall be figured by multiplying the number of entries times the entry fee (award and finals fees), times 0.7, adding any added money, and multiplying this total by the percentage for the division times the percentage for the places

Examples 20 contestants' \$10.00 entry fee: 1D payout

$20 \times \$10.00 = \$200.00 \times .70 = \$140.00 + 100 \text{ added money} = 240.00 \text{ total jackpot}$

$\$240.00 \times 0.30 \text{ For 1D} = \$72 \text{ (table in 6.1.1 says pay 2 places)}$

$\$72.00 \times 0.60 \text{ for 1st place} = \43.20

$\$72.00 \times 0.40 \text{ for 2nd Place} = \28.80

$\$260.00 \times 0.27$ for 2D = \$70.20 (table in 6.1.1 says pay 2 places)

$\$70.20 \times 0.60$ for 1st place = \$42.12

$\$70.20 \times 0.40$ for 2nd place = \$28.08

$\$260.00 \times 0.23$ for 3D = \$59.80 (table in 6.1.1 says pay 2 places)

$\$59.80 \times 0.60$ for 1st place = \$35.88

$\$59.80 \times 0.40$ for 2nd place = \$23.92

$\$260.00 \times 0.20$ for 4D = \$52.00 (table in 6.1.1 says pay 2 places)

$\$52.00 \times 0.60$ for 1st place = \$31.20

$\$52.00 \times 0.40$ for 2nd place = \$20.80

$\$160.00 \times 0.10$ for 5D = \$16.00 Does not include the added money amount

$\$16.00 \times .60$ for 1st place = \$9.60

$\$16.00 \times .40$ for 2nd place = \$6.40

7.1 Earning Award Points

7.1.1 Award Points for year-end awards are based on the final season standings as determined by the run-points. Award Points will be awarded to members in the 5 open divisions of Open Barrels and the 4 divisions of Open poles with ten (10) points to the highest placing member, nine (9) points to the second highest placing member, eight (8) points to the third highest placing member etc. of each division.

7.1.2 Award Points for year-end awards are based on the final season standings as determined by the run-points. Award Points will be awarded to members in Youth and Senior classes with 5 points to the highest placing member, 4 points to the second highest placing member etc. If there are more than 30 members then 10 points may be awarded as above.

7.1.3 If a member's nominated horse is unable to continue during the season, a member may do a onetime transfer of points to another un-nominated horse. The horse that was unable to continue will not be eligible to enter PBHA prime races for the duration of the season. Exception: If the horse is sold to another member it may be nominated and entered at future races.

7.2 Standing and Year end Awards

7.2.1 Points earned by a horse/rider combination in each division will be kept separate throughout the season.

7.2.3 The number of year-end awards shall be determined by adding the number of members that have points in each division. Dividing this number by two (2) and dividing that number by three (3). This equals ½ the average of the members will receive awards. The Board may adjust the number of awards if there is an excess amount of sponsorships or not enough monies to provide for awards.

Example 1D 12 members have points, 2D 15 members have points, 3D 14 members have points and 4D 14members have points.

Calculation: $12 + 15 + 14 + 14 = 55 / 2 = 27.5 / = 6.8$ or 7 places in each division.

A High Point award will be awarded. The winner will be the horse/rider combination that earns the most ride points in the open classes for the season. **The award will be determined by the Directors.**

Sponsorships: If someone supplies PBHA with cash sponsorships they will receive 25% of the sponsored amount in PBHA credit. PBHA credit may be used for any PBHA fees or costs. PBHA credit may be transferred to another person. Products that are sponsored will be evaluated by the awards committee to determine acceptability and credit value.

7.2.4 The Board of Directors will determine the dollar amount of the year end points. This may be adjusted for each class according to entry fees.

Staffing shows and compensation will be as approved by the directors.

9.1 Sanctioning with other Organizations

9.1.1 ***The PBHA season races are PBHA prime and will be ran under PBHA format and rules.***

9.1.2 ***PBHA may produce other events ran under other organization rules throughout the year.***

9.1.3 The Board of Directors will approve sanctioning with other organizations.

9.1.4 ***Members may petition the Board at any time during the year for co-sanctioning approval or proposing a PBHA produced event.***

9.1.5 Sanctioning with other organizations will be in the best interest of PBHA. For example to share an arena with another organization will allow for a smaller arena fee when it is split between the members of both organizations.

10.1 Arenas

10.1.1 The Board of Directors in concurrence with the Grounds/ Equipment Manager will have the final approval of all arenas. An arena that has been deemed unsafe or not useable because of limited parking, bad ground or other reasons will not be considered for jackpots.

10.1.2 The Grounds/ Equipment Manager shall prepare the arena for the jackpots. The ground manager may delegate this responsibility to anyone he/she deems qualified.

10.1.3 The Grounds/ Equipment Manager will set the raking sequence at each Jackpot. If members suspect an unsafe condition they are encouraged to notify the Grounds Manager or other directors.

10.2 Arena fees

10.2.1 Arena fees shall be charged to each horse. Cost will depend on the cost of the arena plus \$2.00 for insurance per rider and the anticipated number of horses entered.

Typically it will run $\$5.00 + \$2.00 = \$7.00$

11.1 Insurance

11.1.1 PBHA carries insurance for all events. This insurance covers spectators only.
