

Seasonal Summer Worker needed May 1 – Oct. 1

About Us:

Leisure Time RV Park is a beautiful year-round RV Park with lovely trees, ponds & wildlife that borders the N. Payette River in the West Central Mountains of Idaho. The community of Cascade is in the heart of recreational Idaho with Cascade Lake just 5 minutes away. A small town (pop. Approx. 1000) offers all amenities. All RV sites within the park are privately owned. Common areas are maintained by a small staff with the aid of a summer worker(s). We take pride in our park. That is reflected in the photos that can be accessed on leisuretimervparkonline.com.
