

## Meridien Cottages – Kawartha Lakes

### **\*\*\*Garbage & Recycling\*\*\* - VERY IMPORTANT**

New for January 2017, there are new garbage rules for the City of Kawartha Lakes. All refuse and recycling must be placed in clear plastic bags. There is a list of cottage rules posted on the fridge. They are mostly common sense. Most important is, that you remove your garbage and recycling when you leave. Next is a list of local retailers who sell clear bags: <http://www.city.kawarthalakes.on.ca/residents/solid-waste-services/clear-garbage-bags-program-1/ClearBagRetailerswithinCKL.pdf>

There is usually some free bags waiting for you at the cottage. All garbage in one set of bags. Plastic, cans, Styrofoam and glass are combined in one set of bags, all paper products are also combined in one set of bags. Please see new rules as of Jan 1, 2017 for disposal. <http://www.city.kawarthalakes.on.ca/residents/solid-waste-services/clear-garbage-bags-program-1> A list of landfills and their hours is also here. Please check the local dump for your area and days of operation as they do change. <http://www.city.kawarthalakes.on.ca/residents/solid-waste-services/landfill-information> The 2 landfills open on Friday mornings are the Lindsay landfill and the Brock Township landfill See: <http://www.durham.ca/works.asp?nr=/departments/works/waste/wastedisposal/sites.htm&setFooter=/includes/wasteFooter.inc> or <http://www.city.kawarthalakes.on.ca/residents/solid-waste-services/landfill-information/lindsay-ops-landfill> Please note the landfills charge \$3 per bag of garbage, but recycling is free. Your garbage pickup day is Monday or Wednesday, depending on your cottage (Tuesday on Holiday weekends). Maximum of 2 bags (more can be purchased for the same \$3 per bag by obtaining tags at the local service centre, Souters Variety Store in Coboconk or the Norland General Store. See <http://www.city.kawarthalakes.on.ca/residents/solid-waste-services/curbside-waste-collection/bag-limits-and-pre-paid-tags>) of garbage must be placed out by 7 AM the morning of, **NOT the night before**, as the animals will get at it. It is in PDF. As per my Options sheet, I can also take your garbage and recycling for you for \$75 for the first 5 bags and \$10 per bag thereafter (regardless of whether it's garbage or recycling). **It still needs to be sorted and placed in clear bags.** If none of these options work for you, then you **MUST** take your garbage and recycling home with you. Failure to comply with the above with automatically forfeit your entire damage deposit.
