

**WEAPONS, VIOLENCE AND SCHOOL SAFETY**

The Chebeague Island School Committee believes that students and staff are entitled to learn and work in a school environment free of violence, threats and disruptive behavior. Students are expected to conduct themselves with respect for others and in accordance with School Committee policies, school rules, reasonable unwritten behavior expectations, and applicable state and federal laws.

School staff are required to immediately report incidents of prohibited conduct by students to the building Principal or Teacher Leader for investigation and appropriate action.

**I. PROHIBITED CONDUCT**

Students, staff and all other persons are prohibited from engaging in the following conduct on school property, while in attendance at school or at any school-sponsored activity, or at any time or place that such conduct directly interferes with the operations, discipline or general welfare of the school:

- A. Possession and/or use of articles commonly used as weapons or designed to inflict bodily harm and/or to threaten, intimidate, coerce or harass another person. **II. EXCEPTIONS TO PROHIBITIONS ON POSSESSION AND DISCHARGE OF FIREARMS ON SCHOOL PROPERTY**

The prohibition on the possession and discharge of firearms on school property does not apply to law enforcement officials acting in the performance of their duties.

**III. USE OF OTHER WEAPONS IN INSTRUCTIONAL ACTIVITIES**

Nothing in this policy shall prevent the school system from offering instructional activities using objects other than firearms that are generally considered weapons (e.g., bows and arrows) or from allowing an object generally considered a weapon to be brought to school for supervised instructional activities (e.g., archery, boat building) approved by the School Committee so long as the School Committee has adopted appropriate safeguards to ensure student and staff safety.

Any proposal to introduce an instructional activity involving such objects must be submitted in writing to the Superintendent, who may make a recommendation to the School Committee. Such proposal must state the objectives of the activity and describe the safeguards that will be put in place to ensure student and staff safety.

No weapons or objects that are generally considered weapons may be used in instructional activities or brought to school for instructional activities unless the Superintendent/designee has given specific permission in advance.

**IV. DISCIPLINARY ACTION**

Principals may suspend and/or recommend expulsion of students who violate this policy based upon the facts of each case and in accordance with applicable state and federal laws. Conduct which violates this policy is deliberately disobedient and deliberately disorderly within the meaning of 20-A MRSA § 1001(9) and will be grounds for expulsion if found necessary for the peace and usefulness of the school. Such conduct may also be grounds for expulsion under other provisions of 20-A MRSA § 1001(9 and 9-A) that specifically prohibit the use and possession of weapons, infractions of violence, and possession, furnishing, and trafficking of scheduled drugs.

A student who is determined to have brought a firearm to school or to have possessed a firearm at school shall be expelled for a period of not less than one year, except that this requirement may be modified by the Superintendent on a case-by-case basis.

All firearms violations shall be referred to law enforcement authorities as required by law. Other violations of this policy shall be referred to law enforcement authorities at the discretion of the Superintendent.

Students with disabilities shall be disciplined in accordance with applicable federal and state laws/regulations and School Committee Policy JKF.

**V. NOTIFICATION TEAM/CONFIDENTIALITY**

Maine law authorizes law enforcement officers and criminal justice agencies to share with a superintendent or principal information pertaining to a juvenile when the information is credible and indicates an imminent danger to the safety of students or school personnel on school grounds or at a school function. Maine law requires the District Attorney to notify the superintendent when a juvenile is charged with use or threatened use of force or is adjudicated as having committed one or more juvenile crimes that involve the use or threatened use of force.

Within ten days or immediately if necessary for school safety, the Superintendent shall convene a notification team. The notification team must include the administrator/designee of the school building where the student attends, at least one classroom teacher to whom the student is assigned, a guidance counselor, and the student's parent/guardian. The notification team shall determine on this basis of need which school employees are entitled to receive information concerning allegations or adjudications of use or threatened use of force. Information received by the Superintendent/designee and disclosed to the notification team and/or disclosed to school employees is confidential and may not become part of the student's educational record.

The Superintendent shall ensure that confidentiality training is provided to all school employees who have access to this information.
