- Quoted prices are for buffet catering on Cedars premises: Cedars may be able to provide buffet catering at a site of your choice, but there may be a surcharge for travelling costs.
- A surcharge may be charged for a buffet where the number catered for is less than ten.
- Items can be added to either menu for an additional fee, or can be removed to reduce the cost.
- All special dietary requirements will be catered for at no additional charge; Cedars regrets that it cannot guarantee the food to be nut free, as nuts are stored and handled on the premises.
- Bookings for buffet catering should be made at least a week in advance—it may be possible to cater at shorter notice, although higher numbers will make this harder to accommodate.
- A non-refundable deposit of 50% of the total bill will be required at least a week in advance of the date, with the rest of the payment due on the date of the buffet. Invoices can be provided.
