## CHIEF'S CHATTER

Hello POCI members this is your July news letter, **HOT** off the press. I sure hope we get some rain soon so we can save some Michigan crops. The frost got our fruit so we need the rain to save the rest!

Next week is the POCI Convention and by the email I received from Rick Gonser there is to be a Large Crowd to show up this year, over 1000 have registered. I have signed up to be a judge for the convention, something I've always wanted to try out. It should prove to be very interesting.

August 7th is our club meeting at Famous Daves, 7:00pm. Come early to eat before hand. We will be going over last minute prep for our annual car show at Elhart on Friday August 10.

There are many car shows being held on every weekend so go have fun this summer and get out there and show your cars and promote our club chapter.

If any of you have suggestions or ideas of what you would like us to do in the coming year please let your officers know. We have some new members amongst us and we want to keep everyone interested.

See you all soon and until then.....
