Version: 2

Our organisation is committed to child safety.

Aspect Motion School of Dance is committed to having a sound set of policies and procedures relating to child safety in place. These will be reviewed and evaluated regularly. We are committed to remaining up to date with current best practice and implementing this within our own organisation.

We want children to be safe, happy and empowered. We support and respect all children, as well as our staff and volunteers. We are committed to the safety, participation and empowerment of all children. Aspect Motion School of Dance core values clearly support this commitment

Fun & Engaging: *Our classes and activities are underpinned by this value. For students to derive the most benefit and learn they must enjoy what they are doing! Our pre-school and junior program is underpinned by the notion that children learn best through play.*

Inclusive: *We genuinely believe that dance is for everyone. We will work in partnership with parents and students to ensure that class placement is appropriate, and we deliver content in a way that meets the needs of learners.*

Community: *Aspect Motion School of Dance is a community; we foster supportive and nurturing connections amongst our staff team, families and students. We will always look for ways to engage our students and families in local activities that promote dance and our students. We believe that AMSD can contribute to the vibrancy and social fabric of the local community, particularly for young people.*

Excellence: *Staff are committed to ongoing training and development. Our professional associations with the Australian Teacher of Dance, Australian Irish Dancing Association and Acrobatic Arts ensure that we remain up to date with best practice. We will never stop learning!*
