

"Col." Ida Craft of 294 Stuyvesant avenue, Suffrage leader of the Fifth Assembly District, has been putting in a week of strenuous work on Long Island. Upon reaching home from Washington on December 6 in company with "General" Rosalie Jones, she made Amityville, Freeport, Seaford, Bellmore, Rockville Centre, Port Washington and Mineola. During Christmas week "Col." Craft will be with friends in Stamford, Conn. A busy little woman is she, the backbone of her party.
