Good Evening and welcome to the 2020 Valley Center Stampede Rodeo Queen Pageant!

Each year, young women between the ages of 5 to 27 come from all over the county to compete for the title of Valley Center Stampede Rodeo Queen, Jr Queen, Young Miss, and Little Miss. The pageant attracts young ladies interested in promoting the sport of rodeo and representing the Valley Center Stampede Rodeo that is held over the Memorial Day weekend in May. Not only do these women have to be knowledgeable in rodeo and current events, they have to be able to ride a horse extremely well.

Weeks before the actual competition, contestants are hard at work fine tuning all the skills that they will need in order to wear the crown of Valley Center Stampede Rodeo Queen, Jr Queen, Young Miss, and Little Miss. The Competition actually starts the Sunday before the pageant with personal Interviews with our panel of judges. Then the contestants take a written test that focuses on Rodeo Knowledge, Equine Science, Current Events and Valley Center History. On Pageant Day Contestants show off their Horsemanship Skills with a horsemanship pattern, Flag run, Queens Run, and short Interview Session with the Judges. Later that evening they will model a formal western style dress, give a short speech and answer 2-3 questions. For some contestants, it is their first time to model, speak in front of an audience or undergo an interview. The skills learned during pageant practices can be applied in real life situations as well, such as job interviews and classroom presentations.

The Valley Center Rodeo Queens are awarded such prizes as a custom western saddle and silver belt buckle, crown and numerous other prizes. They also have the privilege of using the coveted Valley Center Stampede Rodeo Queen chaps, which are passed down to the winner each year, to wear during rodeos and parades.

Thank You

2019 Valley Center Stampede Rodeo Young Miss *Sanniah Arredondo*

Howdy! My name is Sanniah Arredondo and I have been so honored to represent my hometown Valley Center this past year as your 2019 Valley Center Stampede Rodeo Young Miss. It has been such a fun and amazing year representing this title. This was my first rodeo queen title and definitely won't be my last! I had a blast going to rodeos all over Southern California. From the 4 rodeo performances and parade in Lakeside, to getting to run the American Flag at a Southern California Youth Bull Riders event, there was never a dull moment. One of my favorite memories is when my horse Biscuit and I got to ride in the Valley Center Rodeo and be behind the scenes for it all. I have made a bunch of new memories and friends, that I will never ever forget. I would like to take this time to thank each of my sister queens for making my year even more exciting and fun. Adelle, thank you for all the memory's and jokes this year. You truly are my little sidekick and I wouldnt trade our fun car rides and funnel cake missions for the world. Nichole,

thanks for having a smile that can always brighten my day and for always laughing at my jokes, even if they really aren't that funny. Janae, thank you for being such an amazing person and like a big sister figure. I give you big props for putting up with our crazy bunch and always making sure we are in line--even if it's a conga line, that's still a line.....right? I would also like to thank Julie for putting on the pageant each year and for giving girls this opportunity, because it really is life changing. And last but not least, I would like to thank Lisa for being my rodeo mom. From driving Biscuit and I everywhere, to making sure I'm fed, and even putting up with me when I'm being moody I am so blessed to have you in my life. Valley Center was such a fun title to hold. While I am sad to say goodbye for now, I am also happy to see who will represent this title for 2020. Good luck girls, and thank you all.

Sincerely,

Sanniah Arredondo

Your 2019 Valley Center Stampede Rodeo Young Miss

2019 Valley Center Stampede Rodeo Little Miss *Adelle Perpetua*

This year has gone by in a flash! I had so much fun! One of my favorite things was going to all the many events, meeting people and helping to support the sport of rodeo. I loved taking photos with them, signing autographs and sharing rodeo knowledge; I even got to sign a couple of cowboy hats!

Looking back at this year, of course my favorite rodeo was our very own Valley Center Stampede Rodeo. For me, it was extra special because I was able to help dust my brother off after his wild mutton bustin ride. I was also able to ride my horse Buttercup in the rodeo arena during Happy Trails. It was a perfect way to end the fun rodeo weekend in my hometown.

My favorite parades were in Valley Center, seeing all of the familiar faces and the Fourth of July Parade in Coronado. People lined both sides of the streets and there was red, white and blue everywhere. Along the parade route, people started cheering. Come to find out, Buttercup pooped in one of the chalk circles! I'm not sure what they won, but I thought that was funny.

We ended the rodeo season by attending the NFR. I loved meeting the 2020 Miss Rodeo America contestants, cheering on our hometown favorite and signing tear sheets at Cowboy Christmas.

My thank you's. Thank you to Young Miss, Sanniah., Shanaynay, I loved laughing with you and being silly. One thing that was pretty funny during our year was hearing our names being announced at rodeos, parades and events. The way our names were pronounced made me laugh.

My Junior Queen, Nicole, but I like to call her Nickle. Thank you for always making me feel included no matter where we were.

You treated me like a little sister and we became traveling buddies to places like the California Circuit Finals, Banning and the NFR to name a few.

To my Queen, Janae, Janaynay. Thank you for being a great role model for the sport of rodeo. One of my favorite memories with you was in the Remax Hot Air Balloon and you catching my hat in the jumpy. Thank you for teaching me how to line dance at VC Stampede Rodeo dance.

To my Queen Director, Julie. You made this experience so much fun. Thank you for letting us be involved in so many events and for always making us laugh.

To the rodeo committee, thank you for putting together such a memorable rodeo and for helping my year be great. Thank you to all of my family and friends for your support this past year.

To my Mama, Papa and brother Gabriel. Thank you for always getting me to where I needed to be and for supporting what I want to do. Gabriel, I want to tell you that I love you and you are a great brother for always coming to the meetings, horsemanship and other events to follow me around. Thank you for always going with the flow and making us laugh.

To the 2020 Valley Center Stampede Rodeo, Little Miss, hold on and have fun, you're about to see how time flies!

So, after all of that, I'll ask you, "How do you make time fly?"

Biography

Valley Center Veterinary Clinic was established over 30 years ago. Dr. Clarke is the third generation of veterinarians on Cole Grade and Cool Valley providing quality, affordable pet care. We have expanded numerous services to meet our client's needs over the years and have elevated our care with the purchase of new diagnostic equipment. We are a close-knit team that treat each other - and your pet - like family. Here we strive to go that extra mile. Warm welcomes and smiles will greet you. We are a full-service veterinary clinic that is open Monday to Friday 8-6pm and Saturdays 8-4pm. Their health is our primary focus and we emphasize client communication to help us meet these goals. Come and see for yourself why so many local Valley Center residents trust their pets care with us.
