**Join us on Saturday - July 14, 2018 – 9:00AM  
at the I-X Center for the  
9th Annual Cleveland Plane Pull to benefit Special Olympics Ohio.**

**This event is the ultimate test of strength. It will test teams of up to 20 to see how fast they can pull a Boeing 737 for time.**

**This event is hosted by Cleveland Hopkins International Airport.**

**Teams: 20 people minimum per team. If it is a coed team, a minimum of 8 females must participate. There is a minimum donation of \$750.00 per team or \$40.00 per person payable to The Cleveland Freight Association.**

United Airlines sponsors a 737 aircraft with a rope tied to it - your goal is to have your team pull it as fast and as far as you can! Bring gloves!

Invite your family and friends to watch and cheer you on! There will be food trucks and a bounce house for the kids. At the end of the event all the kids are invited for a picture with the plane for a memory they will never forget!

***This event is open to the CFA family and friends.***

Each participant that signs up and pays through the CFA will receive a T-Shirt that proudly sponsors our organization. Plus a second T-Shirt from Special Olympics! If you want to join in on the fun for this great charity but do not have 20 people, please contact Teresa Smith and she will try to place you on a team.

**RSVP: Names, money and T-Shirt sizes due by June 1, 2018**
