## Message from the President

Powitanie Sezonowe (Season Greetings)!

Looking back on the past 12 months, it's easy to see the hard work and dedication of everyone at our Club. It was your collective ability to stay calm and maintain a sense of humor during these difficult times that I'm thankful for the most! We faced incredible challenges, but we focused on the Club and respond with our best. Our ability to not just survive but thrive during this difficult time truly exemplifies the care and compassion that are the hallmarks of our Club.

Thank you for your hard work and creativity over the past year. As we look forward, the BOD's are looking further to improving the interior, exterior and other items of our building and organization. The first will be the changing of our drink tokens. It has been many years since we have updated the tokens and it is a good financial practice to update these on a routine basis. In the next few days our bartenders will have our new tokens available to hand out. During the transition to the new tokens the Club will still accept the old wooden tokens until the end of February. There will be no exchanges and the old tokens will not be accepted after February 28<sup>th</sup>.

If you have any questions or concerns on the new tokens and the policy, please discuss them with a member of the board. Please do not be upset with our bartenders during this time as this was discussed and implemented by the BOD.

Happy Holidays to you and your families! I hope that the new year brings you much happiness, peace, and prosperity.

Wesolych swiat (Happy Holiday's)!

President, Frank Zeleznicky
