

JEFFREY G. TAYLOR
LIVINGSTON PARISH ASSESSOR

Livingston Parish Assessor's Office

Before having utilities turned on, you must register your property with the Livingston Parish Assessor's Office, located at 29940 S. Magnolia Street, Livingston, LA and make sure your property is correctly listed on the assessment roll.

You are required to bring documentation of the square footage of the living area of your residence/home:

If you built a new residence, you must submit a copy of your blue prints or a current appraisal.

If you purchased an existing home, you must submit a copy of a current appraisal or an MLS sheet from your realtor.

Once you have submitted the required information to the Assessor's Office, you will receive a **validation form**. The Assessor's Office will forward the information to the appropriate Permitting Office.
