### From the Pastor's Desk

Feast of the Holy Family

How time flies! It seemed that it was only yesterday that I was knocking at your doors to accept me as your Pastor. Now, I feel that I'm already a part of your family. Thank you for all your love and support as well as guidance as I answered God's call to be your pastor.

To all our families of St. Kateri Tekakwitha Parish,

Happy Feast Day!

We have just completed the season of preparing for the birth of Jesus. Now we prepare to live with the consequences of His coming into our human family.

For many people this season of celebrating has much to do with family gatherings and remembrances of past family-times. We gather at the Eucharist to celebrate His giving of His Life for our becoming a Holy Family within the Church. We can pray with the realization that we have received life from our parents as we receive also our lives from the family-making God. There is no perfect family, nor is there a perfect Church. We experience and pray with the holiness of the imperfect world and persons of our families and the family of humankind.
