## What this is About...

Just like the seasons change, so does our park. This is one of those changes. We are going to begin adding a newsletter to our website and updating information as needed. We are hoping to utilize both the newsletter and the Website to make sure Leisure Time property owners are aware of what is going on. So you ask What is this About???? It is about YOU the property owners.

## 2015-16 LTRV Board Mission Statement

To protect and enhance the amazing experience of living in Leisure Time R.V. Park through information, advocacy and service

## Looking For your Stories

As we get our newsletter started we are asking for your help. We are always looking for positive and heartwarming stories, pictures or ideas. We would love to hear from you. Leisure Time is about the people and the activities.

What better way to let everyone know what is going on in our community.

To submit:

Email: [ltrvcascade@gmail.com](mailto:ltrvcascade@gmail.com)

Put "newsletter" in subject line. All submissions must include name and lot number.

### Meet the Board:

Denis White, President

Fred McKennon, Vice President

Steve Whitehead, Treasurer

Scott McDonald, Director

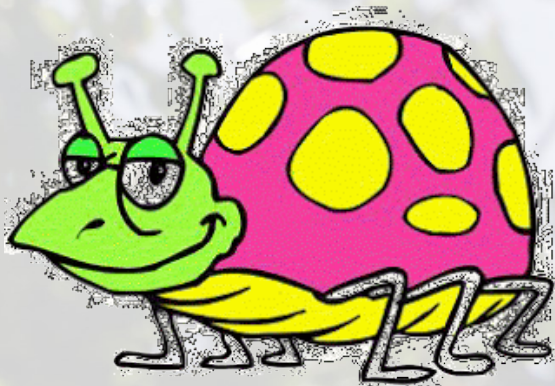

(Vacant), Secretary

Wild Animals ~ Normally under spotlight we would write about someone in the park or even an activity taking place. Since we have gotten a late start on the newsletter and Leisure Time is getting ready to settle down for the winter we must improvise.

So this month we will spotlight the wild animal that you see above. We have named her Abbie and you normally won't see her in Leisure Time during the winter. Summer-time is when she has a tendency to show herself in the park.

(Have a story– Email: [ltrvcascade@gmail.com](mailto:ltrvcascade@gmail.com))

## Lots/Park Models For Sale

Leisure Time has many lots and park models for sale. If you are selling your lot or park model and would like it featured on the Website or in the Newsletter please email pictures, price, location and name of realtor. If I receive enough interest I will look into getting an area set up specifically for this.

Email: information for your lot and pictures to  
ltrvcascade@gmail.com with Attn: Kim in the subject line

### Emails:

If anyone would like to be placed on an email list to receive important updates within the park, please send your name, lot number and email to ltrvcascade@gmail.com Attn: Kim.

Our goal is to keep everyone updated by utilizing our website. However, if something important comes up, an email on the issue can be sent to let you know or advise you to check our website for information. For the majority of what you might need to know, please check our website.
