ONE SCHOOL, ONE BOOK!

Mark your calendars for our One School One Book Kickoff on Monday, February 25th! The One School One Book book club is a month long literacy initiative aimed at increasing achievement in the area of reading comprehension while generating a love of reading that students can share with their families! This year, the book club will feature the novel Appleblossom the Possum by Holly Goldberg Sloan and Gary Rosen. Students and families are sure to love the friendly main character which is also an animal native to our area. Each student K-3 will receive a copy of the book, a reading calendar, and question packets which focus on the comprehension of a literary text. All questions are standards based and this event will close with a culminating possum project led by Mrs. Shockley-Lynch during Science is Alive Week. This initiative is sponsored by Title 1.
