Oaks Royal 3 Newsletter - November 2021 - Correction

Update: Our new neighbors are Mark and Dorothy St. Pierre. A couple of calendar errors corrected: Jeannette Horner's Birthday is November 13th, and Ghelfi's have been deleted. Apologies for the typos folks, and many thanks for keeping me on my toes!

OFFICER REPORTS

PRESIDENT - Ann Parks

UPDATE ON COMMISIONERS OAKLEY

I am happy to report that Ryals Rd will be paved by fall 2022. Commissioner Ron Oakley reported that he and two county road employees inspected the condition and determined there was a need.

We also discussed with the Commissioner that we had concerns about the recent paving of our own streets. There are several areas of quality concerns. Mr. Oakly said he would contact a county employee and the following day we received a phone call to notify us they were contacting the asphalt company. Today, October 22, the county and asphalt company did an inspection and the agreed there was an issue. They will be in for repairs. Thank You Marty Draper for your help in representing our concerns.

THANK YOU FOR SUMMER COVERAGE

A huge Thank You to all who looked after the park this summer. I heard from several this summer and your input was welcomed. We have such a beautiful park, and it takes all of us to maintain and protect what we have.

- Guy Engelhardt your knowledge of the daily operation and general knowledge was a tremendous help to ensure things were being taken care in our absence. Thank You
- Larry Way thank you so much for saying yes when you were asked to fill in. I enjoyed working with you and for keeping us informed as issues came up.
- Tina Fallon wow what an interesting summer we had. Thank you stepping up to fill in and the professional way you handled the interviews.
- Kelvin Hatt we greatly appreciate you for the keeping the pool operational all summer and keeping the pumps running.

First board meeting on October 31, 2021, 3:00 at the club house.

VICE PRESIDENT - Kathy Swett

Welcome back to those who have arrived already this Fall and to those who are still at their northern homes, we look forward to having you return. And to those who have been here throughout the year, a big thank you for keeping a lookout for all of us.

It is that time of year to also be thinking about the board vacancies in January. They are: Vice President, Grounds Director and Pool/Spa Director. Seriously consider running for these positions for without volunteers to address all that needs to be done to keep OR3 a pleasant, well run, progressive community, where would we be? Contact Ann Parks, Kathy Swett or any other member of the Board if you are interested. Election is held at our January HOA meeting. Please come forward now to help make for smooth transitions.

Women's Group

Our first meeting of the Fall was held Monday, October 25 to discuss several important topics. This past year has been difficult for everyone, but the Women's Group especially hit hard because we weren't able to hold money-making events. Our current funds are less than \$300. We have had to scale back our usual philanthropic items.

THANKSGIVING

Thanksgiving Dinner will be offered and will include a takeout option. Sharon Pollard has covered the event itself elsewhere in this newsletter. Volunteers

are needed for prepping, cooking, setup, serving and cleanup. Please call Kathy Swett at 702-4500 or 863-255-8979 if you can help in any way.

TOYS FOR TOTS

Due do our financial situation, we will not be donating this year. Our focus has always been on providing gifts for middle-school aged children as they tend to be left out. Therefore, we encourage you to help out by putting footballs, baseballs, soccer balls, etc for boys of this age and to indulge young girls with such items as fingernail polish kits, makeup kits, etc.

LUMINARIES

Our annual Christmas Eve event of luminaries will happen this year, but we will need your help! We have adequate supply of white bags, but we are in need of purchasing candles to make sure we have the 1350 necessary to have a fantastic display of the Christmas spirit. Our treasury is very low, less than \$300. We have found a supplier who provides 50 candles for \$15. Would you be willing to step up and donate money?

Years past owners were asked to pay \$3 for 5 bags/candles. The Women's Group took over this project and our events have always been able to purchase the supplies needed. But not this year. We need your help!!

If you can help, contact Kathy Swett at [702-4500](tel:702-4500) or [863-255-8979](tel:863-255-8979). A BIG thank you to those who are willing to assist.

CRAFT FAIR

This event is usually held in the Fall in the weeks leading up to Christmas, but has been postponed at least until spring. Planning was put on hold due to COVID and many of our vendors have committed to other fairs. The committee will look at this again after the first of the year.

CRAFTS

We are looking to re-activate crafts. Anyone with ideas on things we can craft, either for ourselves or to sell, please see Kathy Swett or Jan Burden. We would also consider a couple of sewing days a month to make items to sell. Please help us out!!

RADA

We will make our current supply of RADA items available each Wednesday coffee hour and the November HOA meeting. These knives and other products would make excellent Christmas gifts.

OTHER

We will be putting together welcome baskets for new residents.

And we all look forward to having our leader, Carol Carmichael back with us in March/April.
