

STCTB Members,

We are pleased, actually *thrilled*, to announce the club's brand new website and Facebook page.

Colleen Rafatti, our newsletter editor, performed miracles this week and set up the club's website with lots of Scottie news, activities and links to other sites that will benefit everyone.

In addition, Sonia Hollnagel designed our club's first Facebook page to keep Scottie lovers in contact with one another and to post members' news and brags, as well as club events. Ray Sodano and Jene Anderson assisted Sonia with this task.

Our first club event is just weeks away. The Annual Dinner, Awards Presentation, and Club Membership Meeting are Saturday, June 13, 5:00 p.m. Pam Lowe has made arrangements at the Ventura Country Club in Orlando, and the menu is extensive and affordable. (All details on the website.)

A bit of a drive for some but the rewards of fellowship and sharing the love of our breed will be worth the time, and will provide a stimulus for a club we can all be proud of.

The raffle is the big fundraiser for the club this summer. There has been no activity in the last few years and we have not had an event to raise funds for the club. Costs to keep the Scottish Terrier Club of Tampa Bay running every year have continued to rise. Insurance is a big item and one we cannot do without. Other annual expenses to maintain the club are on going.

A 32" Vizio Smart TV is our raffle item and something everyone can use!

Pam Lowe is handling ticket sales and can be reached at 407-579-2950 or [pipppop@aol.com](mailto:pipppop@aol.com).

Tickets are \$5 each or five tickets for \$20. (Information is also on our website.)

The STCTB Board and the Committee Chairs have been working these past months to plan events for every one of our members. It is extremely important to show your support of the STCTB by attending our first organized club function. The members need to participate and get involved in the club's activities in order for it to continue to grow.

Sincerely,

Laurie Slater  
President
