*Learn more about legacy planning, pitfalls to avoid and how life story books can bring families together.*

Join the MoKan Chapter of ABWA on Wednesday, February 12 for a networking social hour followed by dinner and a presentation by not one but two fantastic speakers!

Kirsten Schroeder Larsen is a life & estate planning attorney that makes the law less intimidating. She helps her clients define their legacy and empower those they trust to make decisions in their best interest. She educates the public about the many ways a failure to plan can negatively impact the lives and legacy you leave behind.

Amy Woods Butler, owner of The Story Scribe, LLC., is a personal historian and memoir/life story ghostwriter and podcaster at The Life Story Coach. In a series of interviews, Amy gathers your memories about the meaningful events in your life — the stories and reflections you value most. She then crafts a narrative in your voice, adding photos and memorabilia. The result is a book your family will cherish for generations.

You will come away with a knowledge of issues that need to be addressed, what pitfalls to avoid, and how a life story book can bring your family together.

Event cost is \$22 for members and \$25 for non-members (cost includes dinner). Please RSVP by Wednesday, February 5th by one of the following methods:
