BREEDING - RACING THOROUGHBREDS

MID-YEAR 2019 NEWSLETTER

Hello all!

Sorry for the delay in our newsletters but let's get caught up!

Our yearlings are growing fast! Our filly, Hiya Harry, out of our mare, Tsunami Stryker, is 16 hands! All are healthy and happy!

Our two-year-olds continue to prepare for racing. Buddy and Haley are now with their trainer, Dermot Magner, at Belmont Park. Pearl is expected to arrive within the next month. Energizer will remain at Cadence Training where he continues to do well. He is slightly behind the others because he was ill earlier this year but he is back on track!

Our Three-Year-Olds -

True Prosperity had her first win at Monmouth on May 11th followed by a second-place finish on the 25th. She is becoming much calmer prior to each race and cannot wait to be on the racetrack again!

Romancing the Cat arrived at Cadence Training in Ocala, FL and had some issues corrected. He grew up very quickly there and is now a gelding! Cat also decided in mid-March to break the locks on his round pen and let himself out, managing to fracture his fetlock. The fracture is completely healed and he has started walking under saddle.

Charlettee is a new addition to Bergen Stables. She has only raced once, finishing 9th out of a field of 10. She is a very sweet filly and look forward to her future with us.

Our mares have foaled beautiful and healthy babies! Romanova had a colt by Giant Surprise, Prosperity Avenue had a filly by Micromanage, Mama Get Even had a filly by War Dancer and Fine Feline, Tsunami Stryker and Battery Operated each had a filly by Trickmeister. All Her Glory unfortunately lost her filly during foaling.

Hey Hey Mama and Sing it Out had the year off. Sing it Out has been retired from being a broodmare due to some female issues. We may look to give her a second career later this year but for now, she gets to hang out and just be a horse.

Hey Hey Mama is in foal to War Dancer and Fine Feline is in foal to Friesan Fire. All the rest will have the year off to enjoy a break from motherhood!

Our website is now updated so you can browse through for more info and visuals.
