WE PUMP WATER!

In order to secure the future of McCook Lake, the MLA pumps water from the Missouri River into the lake.

The McCook Lake Association serves the community by:

Caring for the Lake

- Maintain the lake level
- Lake Clean-up
- Monitor Water Quality

Improving Lake Safety

- Placement & removal of No-Wake buoys
- Work with various law enforcement agencies

Communicating & Educating

- Website: www.mccooklakesd.com
- Newsletter & Facebook

Benefits of a Managed Lake

- Maintain Real Estate Values. There is currently over \$40 million worth in real estate adjoining the lake.
- Recreation benefits homeowners and the public
- Wildlife, fish, and plants are able to thrive.
- Improves the quality of life for those in the community

Why Contribute?

All contributions stay local and support pumping water into the lake by paying for utility costs, pump improvements and yearly maintenance.

Electrical costs for 2016 averaged \$100 per day the pump was on, which was less than 2015 due to higher precipitation, higher water tables, and effective pump management. Combined with pump improvements and maintenance, the total pumping budget exceeds \$50,000 per year

A big task becomes small if we all help the cause. We need your support. Contribution levels are listed, but any amount can be donated. Thank you for your support of the MLA!

Membership Levels

All contributions are tax deductible and help maintain the water level of McCook Lake.

Corporate Sponsor-\$1000

- Company Logo on Website & Newsletter

Platinum-\$500

Gold-\$250

Silver-\$120

Bronze-\$50

Donations of any amount are welcome!

Recognition will be shown our website for all donors. If you desire to remain anonymous, please check here.
