1. Narrative description of the proposed home and/or landscape improvement addition or change. Cite materials and color(s), to be used including similarity to existing structures as appropriate. Use a separate sheet of paper, if necessary.

2. Please attach drawings to this request showing all proposed improvements including the relationship to existing structures, landscaping and lot lines. Two drawings or more with different views are needed to clearly show proposed improvements including existing structures:

- A. Plot Plan-" top down view" should be drawn on a copy of your lot survey
- B. Elevation(s)-" side view" - one or more as necessary

3. Attach paint and vinyl samples, if applicable.
4. Attach a copy of any building permits provided to the homeowner, if applicable.
5. When the architectural committee reviews this request, your neighbors have a right to comment and present views about your requested improvements. Please obtain signatures from all property owners having common lot lines with your property, and all property owners who would reasonably view the improvement from their property.

I acknowledge that the requesting property owner has shown the committee the details of the proposed improvement described on this form and that the architectural committee signature represents our awareness of the request. The architectural committee understands that we may make verbal or written comments directly to the homeowner.
