# Personal Protection Equipment (PPE) Drive for our Medical Professionals & First Responders

Dear Friends,

Ekasila Foundation USA is working closely with the University Health System and other local hospitals and First responders to provide them with the Personal Protection Equipment (PPE's) in our community's fight with the Covid-19 virus. We had made inquiries with suppliers and had secured a supply of N95 Masks, Surgical Masks, Gloves, Gowns, Shoe Covers, Sanitizers, and Thermometers.

Please contribute to this cause, no amount is small.

Please contribute via Paypal – Email Address: [EkasilaUSA@GMAIL.com](mailto:EkasilaUSA@GMAIL.com) OR transfer your donation to Ekasila Foundaton USA account at RBFCU; Account No: **9330136**

Together, we will overcome this pandemic. Stay Safe, Stay Healthy, Practice Social Distance.

With all Best Wishes

Ekasila Foundation USA
